On behalf of Kauai's animals, Thank You!

Tribute Opportunities For Helping Kauai's Animals

Kauai's love of animals made it possible for us to open our new home in 2001 and offer a safe refuge for pets in the event of a disaster such as a hurricane.

In addition to providing emergency sheltering, we assist the community daily with a variety of programs and services working towards our mission - *to promote the human-animal bond and ensure compassionate, informed care for all Kauai's animals.*

We are the only public animal shelter on the island and accept all animals received. We provide free spay/neuter services for needy pets and for managed feral cat colonies. A microchip I.D. is mandatory for each pet sterilized which significantly helps reunite lost pets with their worried families. These services along with our outreach and education programs, work towards our goal where every pet has a home on Kauai.

Kauai Humane Society was incorporated in 1952 to protect our animals. We are an independent and private, nonprofit 501(c)(3) organization and depend on the community's support for our programs and services.

We have several new opportunities for you to communicate your lifelong commitment to animals, honor a loved one or beloved pet and be recognized for your dedication. All of these special donations will benefit the animals of Kauai. Please consider one of the recognition opportunities described in this brochure.
