Ruff Love, relationship building program for you and your dog

Susan Garrett

The Ruff Love program is designed not only to help people dealing with problem dogs, but to help agility, fly-ball, obedience, and other dog sport handlers build a better working relationship with their current competition dog. This book can also help get the next puppy or rescue dog started out on the right paw.

Power of Positive Training

Pat Miller

A renowned dog trainer gives you the positive training tools you need to share a lifetime of fun, companionship, and respect with your dog. Plus, you'll get: information on the importance of observing, understanding, and reacting appropriately to your dog's body language; instructions on how to phase out the use of a clicker and treats to introduce more advanced training concepts; and suggestions for irresistible training treats your dogs.

Living With Kids and Dogs...Without Losing Your Mind

Colleen Pelar

Living with Kids & Dogs . . . provides busy parents with simple, realistic advice to help ensure that the relationship between their kids and their dog is safe and enjoyable for all.

How to Behave So That Your Dog Behaves

By Sophia Yin

How to Behave So Your Dog Behaves takes a scientifically sound yet practical approach to explaining dog behavior and training theory, and then shows you how to apply these concepts so you can train your dog to be well behaved. The user-friendly, full-color instructional drawings enhance the informative text, while the all-positive training advice helps you change undesirable behaviors without resorting to aversive corrections such as yelling, hitting, pushing, or other outdated forms of punishment.
